Jangi RUSSEY

Rapid Application Developer.

P&PES (ATC)
POLAND

PROFESSIONAL BACKGROUND

I am a software developer with 5 years of experience delivering commercial software across fintech, e-commerce, and SaaS domains. I have worked on full-cycle development, from requirements analysis and system design to implementation, testing, and production support. My expertise includes building scalable backend services, developing responsive user interfaces, and integrating third-party APIs. I am comfortable working in agile environments, collaborating closely with product managers, designers, and QA engineers to deliver high-quality solutions on time. I focus on clean code, performance, and maintainability, and I actively contribute to code reviews and technical decision-making.

CREATE ROLE

- **Project** is responsible for creating roles in myScheduling.

PROPOSE CANDIDATES

- Proposals are **non-biding**, explicit requests to softlock or hardlock are required.

SOFTLOCK

- Request to softlock need to be **explicit.**
- A candidate can be softbooked to more than one project.
- A conversation between the project and the candidate is recommended before granting a softlock.
- If another project expresses interest in the resource, the Client Team which made the original softlock is informed about the situation and **can hard-lock the resource within 1 business day.**

HARDLOCK

- Used to confirm the candidate to the project.
- Possible only when chargeable WBS is provided.
- **The project immediately starts incurring the resource's loaded cost and all related charges.**
- **Following details are required**: Client, Project & Project Manager, Start date & End date, Role ID (myScheduling) & WBS
- **In case of project cancellation or resource reduction**, if the resource was hard-locked then it **will be charged to the project WBS**.
- If a resource has been recruited specifically for the project, the **project is responsible for the resource until re-staffed** – up to a maximum of **three months**.
- If the resource was allocated from the bench, the **two-week charge** from the cancellation date applies.

EXTENSION

- **No automatic extensions exist.**
- Priority is normally given to the current project, but the resource can be prioritized to other roles.

ROLL-OFF

- **Projects will be charged for the notice period worth of time** for unscheduled roll-offs unless the resource can be immediately re-staffed onto another (chargeable) project.
- All roll offs should be communicated to the **OrgUnit Lead** and to **Talent Planning Team** at least: **2 weeks** (for 3 or less rolled-off resources)/ **8 weeks** (for more than 3 rolled-off resources or all resources on **with long-term rates**) prior to the scheduled roll off date.
