PROFESSIONAL BACKGROUND

Versatile Senior Software Developer with 14 years of industry experience specializing in both backend and frontend development. Proficient in crafting high-performance backend solutions using C# and .NET, complemented by a passionate and skillful approach to frontend development. While my expertise is deeply rooted in backend architectures, my enthusiasm for frontend technologies has driven me to gain proficiency in JavaScript frameworks such as React, enabling me to contribute effectively to full-stack projects. My technical acumen spans across Node.js, JavaScript, and TypeScript, allowing me to create seamless, end-to-end software applications that resonate with client objectives. Recognized for a client-centric approach and ability to translate complex requirements into user-centric solutions, I bring a balanced skill set that supports a dynamic development environment. Committed to excellence and continuous skill enhancement, I strive to deliver exceptional results through collaborative teamwork.

CREATE ROLE

- **Project** is responsible for creating roles in myScheduling.

PROPOSE CANDIDATES

- Proposals are **non-biding**, explicit requests to softlock or hardlock are required.

SOFTLOCK

- Request to softlock need to be **explicit.**
- A candidate can be softbooked to more than one project.
- A conversation between the project and the candidate is recommended before granting a softlock.
- If another project expresses interest in the resource, the Client Team which made the original softlock is informed about the situation and **can hard-lock the resource within 1 business day.**

HARDLOCK

- Used to confirm the candidate to the project.
- Possible only when chargeable WBS is provided.
- **The project immediately starts incurring the resource's loaded cost and all related charges.**
- **Following details are required**: Client, Project & Project Manager, Start date & End date, Role ID (myScheduling) & WBS
- **In case of project cancellation or resource reduction**, if the resource was hard-locked then it **will be charged to the project WBS**.
- If a resource has been recruited specifically for the project, the **project is responsible for the resource until re-staffed** – up to a maximum of **three months**.
- If the resource was allocated from the bench, the **two-week charge** from the cancellation date applies.

EXTENSION

- **No automatic extensions exist.**
- Priority is normally given to the current project, but the resource can be prioritized to other roles.

ROLL-OFF

- **Projects will be charged for the notice period worth of time** for unscheduled roll-offs unless the resource can be immediately re-staffed onto another (chargeable) project.
- All roll offs should be communicated to the **OrgUnit Lead** and to **Talent Planning Team** at least: **2 weeks** (for 3 or less rolled-off resources)/ **8 weeks** (for more than 3 rolled-off resources or all resources on **with long-term rates**) prior to the scheduled roll off date.
